Ramakrishna Sarada Mission Vivekananda Vidyabhavan Library now known as "Sraddhaprana Pathakakshma" was set up in 1961, when the college was established. Earlier the Library was housed at the college building adjacent to the Teachers' Common Room. In 1975 it was shifted to the first floor of the Assembly hall (Muktiprana Sabhagriha). After recent expansion and modernisation of the Library the reading room has become more spacious and user friendly. Teachers' cubicles have also been added.
