Basic Sanskrit Grammar

BASIC SANSKRIT GRAMMAR

COURSE OBJECTIVE

To master any language, the study of its grammar is considered to be very important. Rather we can say, grammar acts as the backbone of any language. Similarly, if one studies and masters the grammar of Sanskrit, one can easily read any Sanskrit text and Shlokas. So here in all these tutorials, an attempt is made to explain all basic grammar rules of Sanskrit. This will surely help one to read, understand and write in Sanskrit easily.

Sanskrit is a very rich language of the Indo-European language family. Sanskrit is a medium to know about ancient Indian history, culture, religion, social life through its text. This proposed course attempts to simplify the grammar with specific focus on Sanjna, Sandhi, Pratyaya and Samasa which are considered as the corner-stones of Paninian Grammar.
