

EVENT REPORT-DEPARTMENT OF EDUCATION- 2022

1.

Name of the activity: Research Methodology

Category: Extension lecture

Organising Unit: Department of Education, Philosophy & Sociology

Flyer:

Date: 08/03/2022

Time: 2 p.m.

Venue: Muktiprana Sabhagriha

Name of the resource persons: Dr. Prarthita Biswas, Professor & HOD, School of Education and Dr. Mausumi Guha, Dept. of Philosophy, Jadavpur University

Number of the Participants: 187

Brief Description and Programme Outcome: Research Methodology is an essential part of Education as a whole. If any of our students wants to do research project or Doctoral research, they need to know the basic information and idea of research methodology. So the department of Education, Philosophy and Sociology arranged a seminar on the topic. Both the speakers delivered the complex topic so interestingly, that the students enjoyed the seminar. A research methodology gives research legitimacy and provides scientifically sound findings. It also provides a detailed plan that helps to keep researchers on track, making the process smooth, effective and manageable. A methodology will give students that path. And choosing a wholly suitable and sound method that is right for research project will give the path to help succeed. A methodology will give students the guidelines to make project manageable, smooth and effective. The students gained a comprehensive understanding of different research approaches.

2.

Name of the activity: E-Crime and its Prevention

Category: Workshop

Organising Unit: Department of Education in collaboration with IQAC

Flyer:

Date: 11/03/2022

Time: 1.30 p.m.

Venue: Mukti-prana Sabhagriha

Name of the resource person: Sanjay Kumar Das, Joint Secretary, Dept. of Information Technology & Electronics, Govt. of West Bengal

Number of the Participants: 170

Brief Description and Programme Outcome: e-Crime, or cyber crime, is any crime that happens through the use of technology, ranging from stalking online to the non-consensual sharing of intimate photos or videos. It can happen to anyone, from children to the elderly and everyone in between. So the department of Education decided to arrange a whole day workshop for all of the students of the college. We were

lucky enough to get a speaker like Sanjay Kumar Das, Joint Secretary, Dept. of Information Technology & Electronics, Govt. of West Bengal. Be cyber aware- he Made aware children about potential online threats such as grooming, bullying, and stalking, keep track of their online activities. Also, he told us how we should be aware of the latest applications, security devises and at the same time be aware the frauds, threats etc. At an individual level, cyber security attacks can lead to identity theft and extortion attempts, which can do serious damage to that individual's life. We all rely on the safety of our data and personal information. The workshop enriched the students as well as the faculty members present there. The students were made aware of e -crimes and ways to prevent it. They were able to know about safety measures to follow while using Internet.

3.

Name of the activity: Foundation towards Self- Sufficiency

Category: Workshop

Flyer:

Date: 13.04.2022

Time: 1 p.m.

Venue: Swamiji Bhavan

Name of the resource person: Smt. Tumpa Mondal, an entrepreneur

Number of the Participants: 35

Brief Description and Programme Outcome: Department of Education always thinks about the all -round development of the students. Everyone has its own potential to be successful in life. From this thought we

arranged a talk with a different person. Who is not an academician but a very successful business personality, an entrepreneur. She came, started to talk and won the hearts of the students. They laughed, they thought, they spoke, they enjoyed. If you want to be independent, you have to rely on yourself. They learned this basic concept that day very clearly. The students were able to explore different options of entrepreneurship.

4.

Name of the activity: Moral Impact of Media on Youth in the New Normal Society, RKSMVV

Category: Seminar

Organising Unit: Department of Philosophy and Education in collaboration with IQAC

Flyer:

Date: 31.08.2022

Time: 11.30 a.m.

Venue: Muktiprana Sabhagriha

Name of the resource person: Smt. Swati Bhattacharjee, Senior Assistant Editor, ABP

Number of the Participants: 186

Brief Description and Programme Outcome: Printed media has had a major impact on how people view politics and world events. Many people will blindly follow what is printed in the newspaper about specific areas and events. Even if it is one small story people tend to believe that is how the whole area should be perceived. Print media enables students to make it a habit to read new things by providing them with interesting and entertaining resources. Widely used in classroom atmospheres, print media encourages students to do extensive reading unlike the traditional textbooks.

Assistant Editor of renowned newspaper Anandabajar patrika, Swati Bhattacharjee, kindly accepted our invitation and discussed with the students of Education and Philosophy. They gained a wonderful experience while interacting with Swati Bhattacharjee. The students gained insights into good and bad impact of media. They understood the relationship between public demand and subject of writing.

5.

Name of the activity: Symposium

Category: Peer Tutoring

Date: 09.09.2022

Time: 11 a.m.

Venue: RKSMVV College Campus

Guide - Prof. Tanju Datta, Dept. of Education, RKSMVV

Number of the Participants: 14

Brief Description and Programme Outcome: Symposium is a kind of discussion where two or more speakers talk for 10-20 minutes, develop individual approaches or solutions to a present aspect of a policy , process or programme. It is used to achieve higher cognitive and effective objectives.

Symposium is included in our Honors syllabus. The students of 4th Semester did a peer tutoring activity under the guidance of Prof. Tanju Datta, Dept. of Education, RKSMVV. Their topic was Symposium. They discussed meaning, different purposes, principles and guidelines of Symposium. The participants gained concept of symposium and its importance.

This peer-tutoring established an environment where students could learn in small groups and learn how to work as a team. It enhanced students' engagement and communication skills. It promoted critical thinking.
