MEMORANDUM OF UNDERSTANDING

This Agreement is made effective from 05.04.2023

Between

The Geography Department of

1. Ramakrishna Sarada Mission Vivekananda Vidyabhavan, a partly residential degree college for women, is the first educational institution started by the Ramakrishna Sarada Mission. The present address of the college is 33 Sri Maa Sarada Sarani, Kolkata – 55. The college is represented by its authorized representative and Principal Pravrajika Vedarupaprana. Ramakrishna Sarada Mission Vivekananda Vidyabhavan, referred to as RKSMVV today stands among the premier girls' colleges of the State. It is a NAAC 'A' Grade college. In the 2020-21 list issued by the Education World of India's top 500 Colleges, this College ranks as the 8th best college in West Bengal and 25th in India among nation-wide All Non-Autonomous Colleges.

And

2. India and Department of ESRS, JIS University, Kolkata - 700109, West Bengal, India. JIS Group Educational Initiatives began its journey 21 years ago and is now the largest educational conglomerate in Eastern India with 37 institutions, 170 programs, and 39,000 students. Despite not being simple, the voyage has been fairly successful. JIS University was founded by the West Bengali government's JIS University Act, 2014 (West Bengal Act XXII of 2014), which went into effect in February 2015.

The university's objective is to rank among the best institutions of higher learning in India and to be a top choice for teachers, researchers, and students. All courses at JIS University have been properly accredited and affiliated by the University Grants Commission (UGC), New Delhi, and the All India Council for Technical Education (AICTE), the Bar Council of India (BCI), the Pharmacy Council of India (PCI), the National Council for Teacher Education (NCTE), and the United Nations Academic Impact. This guarantees prospective students a high-quality education (UNAI). Since 2017, JIS University has also belonged to the Association of Indian Universities (AIU).

Today's world requires that education be tailored to meet industry needs, so teaching approaches must be developed in a way that does just that. Future professionals who are committed to bringing about change in our society will be nurtured through the Learning Management Systems (LMS) that JIS University has created. JIS University supports the expansion of higher education, research, entrepreneurship, and skill development by fusing conventional approaches with cutting-edge technologically enabled teaching and learning practices.

The goal of JIS University is to offer instruction, teaching, training, and research in a variety of subfields and branches of the social sciences, education, engineering, and management. In addition to the standard undergraduate and graduate programs, integrated B.Sc. programs are offered in subjects including physics, chemistry, geology, biotechnology, microbiology, etc. There are additionally offered combined programs like BBA-MBA (H) and BBA-LLB (H). The university also offers PhD programs in a variety of subjects. Through numerous student exchange programs with overseas colleges, students can take foreign language classes and get exposed to international internships. For the purpose of fostering entrepreneurship, employability, and self-employment, the university always fosters skill development among the students.

ABOUT THE DEPARTMENT OF EARTH SCIENCES AND REMOTE SENSING

The Department of Earth Sciences and Remote Sensing is a multidisciplinary department that grants the degrees of B.Sc. (Geology Honours), M.Sc. in Applied Geology, and M.Sc. in Remote Sensing GIS. Research for projects and a Ph.D. are further alternatives. The department's mission is to be a centre of excellence in the fields of geospatial technology and earth sciences in order to meet the constantly growing need for human resources in these subjects and to further the interests of society and the nation. Additionally, in keeping with the top universities, this department maintains state-of-the-art outreach and research facilities as part of its mission to continuously improve both research and instruction.

Both RKSMVV and JIS are herein after individually referred to as a 'party and collectively as parties'.

PURPOSE
