Policy of the Anti-Ragging Cell

The primary goal of the Anti-Ragging Cell in Ramakrishna Sarada Mission Vivekananda Vidyabhavan is to create a safe and secure environment for all the students. Ragging can take many forms, including physical, mental and emotional abuse and it can have a devastating impact on the lives of the victims.

The following are the policies taken by Ramakrishna Sarada Mission Vivekananda Vidyabhavan to prevent and address incidents of ragging.

1. **Strictly Prohibiting Ragging:** Any form of ragging is strictly prohibited on campus, and students who engage in such activities will face severe disciplinary action.
2. **Displaying Anti-Ragging Posters:** Anti Ragging Cell displays posters and banners in prominent locations on the campus to raise awareness about the negative consequences of ragging and the importance of reporting incidents of ragging.
3. **Sensitizing Students:** The Anti-Ragging Cell will conduct awareness programs and sensitization sessions for students to make them aware of the harmful effects of ragging and to encourage them to report any incidents they witness or experience.
4. **Establishing Helpline:** Anti-Ragging Cell has set up a helpline for students to report incidents of ragging anonymously.
5. **Setting Up a Grievance Redressal Mechanism:** The Anti-Ragging Cell has set up a grievance redressal mechanism to deal with ragging complaints. The mechanism is accessible to all students and will provide prompt redressal of complaints.

Overall, the policy of The Anti-Ragging Cell in our college aims at creating a safe and secure environment for all students, where they can pursue their academic goals without fear of harassment or abuse.
