Respected Sir

Ramakrishna Sarada Mission Vivekananda Vidyabhavan (founded 1963) (www.rkmsvv.ac.in) is a premier girls' college in Kolkata, built under the auspices of Sri Sarada Math. Situated in the heart of the modern urban South Dum Dum locality of Kolkata, RKSMVV is spread over thirteen acres of lush greenery. The expansive college campus, a rarity among city colleges, nurtures a miniature self-sustained ecosystem within the busy, bustling metropolis. The college has always focused on creating and maintaining a green and eco-friendly campus.

We would like to appeal to you to help us take forward our mission of providing a serene academic environment along with creating environmental consciousness through sensitization of our students. We were encouraged to find in your website that WBBB has included Awareness Generation among Students among its programmes, and would really appreciate if you could help us with the following activities initially:

- Marking the trees with Identification Tags. The RKSMVV campus hosts more than 700 trees, plants and shrubs within its boundaries.
- Creating a Medicinal Plant/ Herb Garden within the campus.

We look forward to your response.

Namashkar and Thank you
