Annual E-Governance Report 2018-2019

Ramakrishna Sarada Mission Vivekananda Vidyabhavan has implemented e-governance for effectively and transparently managing governance requirements of the College such as those relating to student admission, accounts and library. The College also maintains a dedicated and dynamic website for sharing and updating information as regards all its stake holders.

E-governance related to administration:

- A company called Braindrops Technology was selected for hosting the website and implementing e-governance in various domains of college administration.
- All tenders above Rs. 1,00,000 are henceforth advertised on the college website.

E-governance related to finance and accounts:

- Finance section is fully automated. Its maintenance was delegated to Asit Sarkar who was paid out of RUSA funds.

E-governance related to examination

- 3S Software Design & Development was appointed for the development of CBCS Module, Result modification, Admission Portal, annual support and maintenance.
