HOSTEL FACILITIES AND MANAGEMENT

Ramakrishna Sarada Mission Vivekananda Vidyabhavan has a well-managed hostel catering to a large section of its students who have come to Kolkata for purposes of securing quality higher education. The College has three hostel buildings, with a total of 53 rooms which can accommodate upto 180 students. The hostel buildings include Brahmananda Bhavan, Bharati Bhavan and Vidyaprana Bhavan. While the first two are used for residential purposes, Vidyaprana Bhavan is used as a designated space for academic and cultural activities for the hostel inmates.

At present the hostel accommodates 176 students from various academic years. Besides the dormitories and shared rooms, the hostel has four large study rooms, two dining halls, three rooms dedicated to in-house coaching, a common room, a sick room, among others. The hostels are designed in a way that new entrants have access to constant mentoring by the seniors and supervisors. The hostels have a superintendent, drawn on a rotational basis from the monastic faculty. The hostel superintendent is further assisted by two other monastic inmates in executing their duty. The superintendent and her team are always available for addressing needs of residential students, if and when they arise.
