Namaskar Mataji,

It is a pleasure to make a donation of ₹15,14,324 to Ramakrishna Sarada Mission Vivekananda Vidyabhavan for purchasing 30 desktop computers:

- 15 desktop computers will be earmarked for use by the undergraduate and graduate students in the Geography department/program
- 15 desktop computers will be earmarked for the use of undergraduate and graduate students in the Journalism department/program

We understand that the configurations of the computers for the two majors will be decided between the respective faculties and the selected vendor. We are also interested in a separate donation that can cover the air conditioning costs for the computer lab(s) where these computers will be housed.

We hope this donation will help the students of your esteemed institution expand their knowledge and fulfill their dreams. Thank you for your tireless efforts on behalf of these students.

Pronam,

Respected Mr. Swapan Sarkar, Mandira Sarkar and Sriya Sarkar

On behalf of the entire Ramakrishna Sarada Mission Vivekananda Vidyabhavan community, I extend our heartfelt gratitude to you for your invaluable and generous contribution of computer equipment.

Your noble purpose and deed have left us profoundly grateful and inspired. Your decision to personally donate computers to our educational institution is indeed a testament to your commitment to empowering women and the young minds of our society. With your support, our students will now have access to advanced technology, which will undoubtedly enhance their learning experience and enable them to explore new horizons of knowledge.

We understand that this donation is a personal one, and not from your foundation. Nonetheless, we want to express our deepest appreciation for your selfless dedication to the cause of education and your belief in the transformative power it holds.

Your letter outlining the donation interest has been carefully reviewed, and we assure you that the computer equipment will be utilized judiciously to benefit our students to the maximum extent possible. We are committed to fostering an environment that encourages holistic development, and your contribution aligns perfectly with our mission.

In light of your kind gesture, we would be honored to have the opportunity to share your foundation's mission and bios with our students. We firmly believe that showcasing examples of compassionate and dedicated individuals like yourself will serve as a powerful source of inspiration for our young learners.

Once again, thank you, for your unwavering support and belief in our institution's vision. May the blessings and the divine grace of Thakur, Maa and Swamiji Maharaj be with you always.

With profound gratitude,
