CLASS REPRESENTATIVES AND THEIR DUTIES

2021-22

In order to effectively represent student perspectives to the faculty and the college administration, each department has made provisions for selecting class representatives from each semester. The Class Representative (CR) works along with the student representative of the Internal Quality Assessment Cell (IQAC) to represent student opinions and concerns, if any, to the college administration. Class representatives also play an active role in resolving any issues students of concerned semesters might have with the faculty and administration in the day-to-day academic and co-curricular activities. They also bring new initiatives to table with aim of making the campus life more interesting and engaging.

Below is attached the list of Class Representatives for the academic year 2021-22.
