

I, Nilanjana Biswas, B.Sc from Sammilani Mahavidyalaya and M.Sc in Geography from Calcutta University. I have completed a basic GIS course from Ramakrishna Sarada Mission Vivekananda Vidyabhavan and I have benefited a lot by doing this GIS course from this institution and after completing this course I got a job in CyberSwift. The teachers helped me a lot during the course and guided me in the right direction and for that I would like to thank them from the bottom of my heart.

I am Priyanka Shaw, and I completed a basic GIS course at Ramakrishna Sarada Mission Vivekananda Vidyabhavan. This course has been incredibly beneficial for me, leading to my current job at CyberSwift. The teachers were exceptionally helpful and ensured we acquired a comprehensive knowledge on the subject. I highly recommend this college to anyone seeking employment

opportunities in the future. It is one of the best institutions for girls, offering a variety of valuable courses.

I Priyanka Dutta, graduated from other college. I would to like to extend my appreciation to the principal and the teachers for providing guidance and encouragement throughout endeavour. I have completed a basic GIS course from Ramakrishna Sarada Mission Vivekananda Vidyabhavan and I have benefited a lot by doing this GIS course from this institution and after completing this course I got a job as a Junior Digitizer in CyberSwift.

I Paromita Halder, graduated in Geography from other college. I have completed a basic GIS course from Ramakrishna Sarada Mission Vivekananda Vidyabhavan and I would like to express my deepest gratitude to Principal and teachers for completion of the course. This is to mention here that the course fee is much less compared to other institutions. I got a job as a Junior Digitizer in CyberSwift. The teaching-learning process of this college is very nice, teachers are so friendly and guides in everything.
