

Drama

Name of the Course: DRAMA

Duration: 30 Hrs

Offered by: Ramakrishna Sarada Mission Vivekananda Vidyabhavan

Eligibility: 10 + 2 Passed and RKSMVV Students

Course Fee: Rs. 200/

Course Overview:

This drama course is designed to provide students with a comprehensive understanding of the art and craft of drama and theatre. The course covers various aspects of performance, including acting, directing, playwriting, and technical theatre. Students will engage in practical exercises, theoretical studies, and performance projects to develop their skills and appreciation for the dramatic arts.

Course Objectives:

- **Develop Acting Skills:** Students will learn and practice fundamental acting techniques, including voice, movement, and character development.

- **Understand Theatrical Production:** Gain insight into the elements of theatrical production, including set design, lighting, costumes, and sound.
- **Explore Dramatic Literature:** Study a range of dramatic texts from different historical periods and styles.
- **Create Original Work:** Encourage creativity through the creation of original scenes and short plays.
- **Collaborate Effectively:** Foster teamwork and collaboration through group projects and ensemble work.

Course Structure:

The course is divided into three modules, each focusing on different aspects of drama and theatre.

Module 1: Introduction to Drama

- History of theatre
- Basic theatre terminology
- Overview of different genres and styles

Module 2: Acting Techniques

- Voice and speech training
- Physical movement and stage presence
- Improvisation exercises
- Character analysis and development
- Interpreting a script
- Blocking and staging

Module 3: Performance and Production

- Rehearsal techniques
- Production planning
- Final performance project
- Post-performance reflection and critique

Learning Outcomes:

By the end of the course, students will be able to:

- Perform confidently in front of an audience
- Analyze and interpret dramatic texts
- Create and develop original dramatic works
- Understand the technical aspects of theatre production
- Work collaboratively in a theatrical setting

This drama course aims to nurture a lifelong appreciation for theatre and equip students with the skills to pursue further studies or careers in the dramatic arts.

Assessment Procedure:

- **Participation and Attendance:** Regular attendance and active participation in class activities and discussions.
- **Practical Exercises:** Completion of acting exercises, scene studies, and technical projects.
- **Final Project:** A comprehensive performance or production project demonstrating the skills and knowledge acquired during the course.
