

Handicrafts and Jewellery making

Name of Course: HANDICRAFTS AND JEWELLERY MAKING

Duration: 30 Hrs.

Offered by: Ramakrishna Sarada Mission Vivekananda Vidyabhavan

Eligibility: 10 + 2 Passed and RKSMVV Students

Course Fee: Rs 2500/-

Course Overview:

Handicrafts have been a part of human civilization. Over time, these skills evolved into intricate art forms passed down through generations. Handicrafts and jewellery making are rich and diverse art forms that reflect the creativity, culture, and heritage of different societies. This course plays an essential role in preserving traditions, providing livelihoods, and contributing to economic development. As both crafts continue to evolve, they maintain their relevance and appeal in a modern world that values both cultural heritage and individual expression.

Course Objectives:

This course involves the creation of items by hand, reflecting the cultural, social, and economic aspects of the communities. This course enables the participants to produce handicraft items made by hand or using simple tools, showcasing traditional skills and cultural heritage. These items are made of fabrics, threads, wax and more. Through this course participants also learn to make jewellery made from various materials, including metals, stones, beads, wires and even natural materials like shells and wood, like wire-wrapped pendants and bracelets.

Resource Person:

Mita Das, Entrepreneur

Learning Outcomes:

Handicrafts contribute significantly to local and national economies, particularly in developing countries. This course aims to provide livelihoods for participants, supporting entire communities. Additionally, handicrafts are popular in local markets, contributing to women empowerment. Jewellery making is also a significant industry, contributing to local economies. After completing the course the participants will be able to create intricate patterns and innovative designs by using different materials. They will be able to create, display and market their products both physically and online. After completing the course, the participants will be able to get placement as artisans, designers, and jewellers.
