All the MOUs were signed following the guidelines of the NAAC SOP 2024 and the activities conducted were mainly Faculty Exchange/ Student Exchange/ Course Work. Some of the activities (courses) include Internship and Job related Training which followed Campus Interview and Placement. Some of the students got jobs after the completion of the Course-work. According to the DVV Suggested Input, 25 MOUs were accepted but the Recommended Input post-DVV clarification is 17.

We are unable to understand the cause of this huge difference in the number of accepted MOUs. We are resending the Activity matrix containing the date-wise recommended nature of activities for your reconsideration.
