**Brief Description of the event:** National Librarians' Day was celebrated on the birth anniversary of the Father of Library Science, Dr. S.R. Ranganathan. To mark the occasion, the library organised a digital poster competition and a reading marathon for students of Library Science, highlighting the multidisciplinary nature of the course. The event saw enthusiastic participation from every student, with prizes awarded to the winners in both competitions.

**Program Outcome:** The event successfully raised awareness among students about the evolving role of libraries in knowledge acquisition, especially in the context of the digital transformation of academic life. The main focus was on how digitalisation and internet usage have reshaped traditional library practices and their role in education. Students engaged with great enthusiasm, making the event a resounding success.
