No of Teachers: 1

Number of Students- 101

Brief description of the event – Celebrating World Environment Day and organising a Screening of “OUR PLANET” by the Departments of Human Rights and Environmental Studies on 5th June 2024 at Room no 25. World Environment Day is a reminder of our shared responsibility to protect and restore our planet. As we celebrate this important day in 2024, we should work on the theme of land restoration and work collectively to combat desertification and build drought resilience. June 5 is World Environment Day, an international moment to celebrate the change makers who strive to protect our planet and its inhabitants. Their work spans advocacy, education, and academic studies to conservation efforts and sustainable business practices.

Programme Outcome – It inspires a collective movement toward environmental stewardship. On this World Environment Day, we are reminded that our planet's health hinges on our choices and actions. Educating students about critical environmental issues. Developing a sense of responsibility towards nature. Raising environmental awareness. Developing vital skills like critical thinking and teamwork.

Flyer and geotagged photo:

The flyer features a dark blue background with white and green text. At the top center is the logo of Ramakrishna Sarada Mission Vivekananda Vidyabhavan. Below it, the text reads: "RAMAKRISHNA SARADA MISSION VIVEKANANDA VIDYABHAVAN", "Departments of Human Rights and Environmental Studies", "in collaboration with IQAC", and "Celebrating". A central image shows a hand holding a small globe with a tree growing from it. Below this, the text says: "WORLD ENVIRONMENT DAY and organises Screening of 'OUR PLANET'". At the bottom of the flyer is a photograph of a toucan bird perched on a branch. A green bar at the very bottom contains the text: "Date - 05.06.2024 Time - 2:45 PM Room No - 25".
