Name of the Activity: Faculty Development Program for ICT

Category: Faculty Development Program

Organizing Unit: RKSMVV IQAC

Date: 18.09.24

Time: 11.15 am onwards

Venue: Room No. 8

Name of Resource Person: Mr Saptarshi Chaudhuri, Application Software Consultant, Infonetics, Baduria, West Bengal

Number of Participants: 32

Brief Description of the Event: The RKSMVV IQAC organized a Faculty Development Program (FDP) focused on ICT on September 18, 2024, starting at 11:15 AM in Room No. 8. The program witnessed the participation of 32 faculty members from various departments. The session was led by Mr. Saptarshi Chaudhuri, an Application Software Consultant from Infonetics, Baduria, West Bengal.

Mr. Chaudhuri conducted an informative session on the Learning Management System (LMS) and its applications in academic settings. He provided a detailed overview of how LMS can streamline teaching and learning processes, enabling faculty members to manage courses, track student progress, and facilitate interactive learning environments.

The resource person also shared practical demonstrations, highlighting essential features of the software and offering insights into its integration into existing teaching methodologies. Faculty members actively engaged with the session, seeking clarifications and discussing possible applications in their respective disciplines.

Programme Outcome: The program successfully equipped faculty members with the knowledge and skills to effectively use LMS software in their teaching practices. It enhanced their understanding of technology-enabled learning, paving the way for more efficient and innovative academic delivery. Faculty participants expressed their appreciation for the session and were motivated to implement LMS tools to improve student engagement and learning outcomes.
