Name of the Activity: Awareness Camp

Category: Awareness Camp

Organizing Unit: Rasik Bhita and Enable India

Date: 05.12.24

Time: 3 pm

Venue: Muktiprana Sabhagriha

Name of the Resource Person: Sm Kadam Sheikh and Sm Geeta (Enable India, No: 473/B, Adugodi Main Road, Bengaluru – 560095)

Number of Participants: 30

Brief Description of the Event: The session introduced **Enable Vaani**, an innovative platform leveraging mobile phone connectivity to bridge gaps and empower marginalized communities. Enable Vaani is a voice-based information-sharing network designed to connect persons with disabilities and their support systems, including NGOs, companies, parents, and other stakeholders.

The platform operates in multiple languages to cater to diverse linguistic groups, including **Namma Vaani** in Karnataka and **Hamari Vaani** in Hindi-speaking states. It enables users to share and access vital information about opportunities, employment, education, government schemes, solutions to common challenges, and more. By fostering a sense of community and inclusivity, Enable Vaani ensures that essential resources and knowledge are accessible to all, especially those in remote areas.
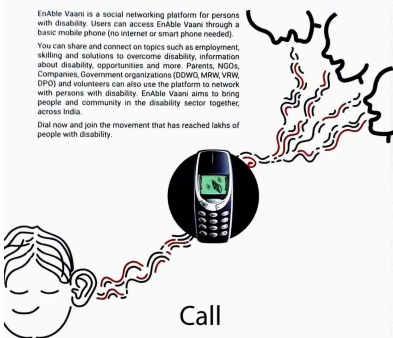

Programme Outcome: The session was highly informative, shedding light on the potential of mobile technology to create an inclusive ecosystem for persons with disabilities. Participants gained valuable insights into how Enable Vaani facilitates the dissemination of critical information and connects diverse stakeholders. The initiative's role in bridging the digital divide and empowering communities was particularly appreciated.
