

**Name of the event:** Hands-on Workshop on Cataloguing The Departmental Library

**Organizing unit:** Department of Philosophy

**Date:** 13th December 2024

**Speaker:** Dr. Parama Sarkhel, Librarian, RKSMVV

**Topic:** Cataloguing The Departmental Library

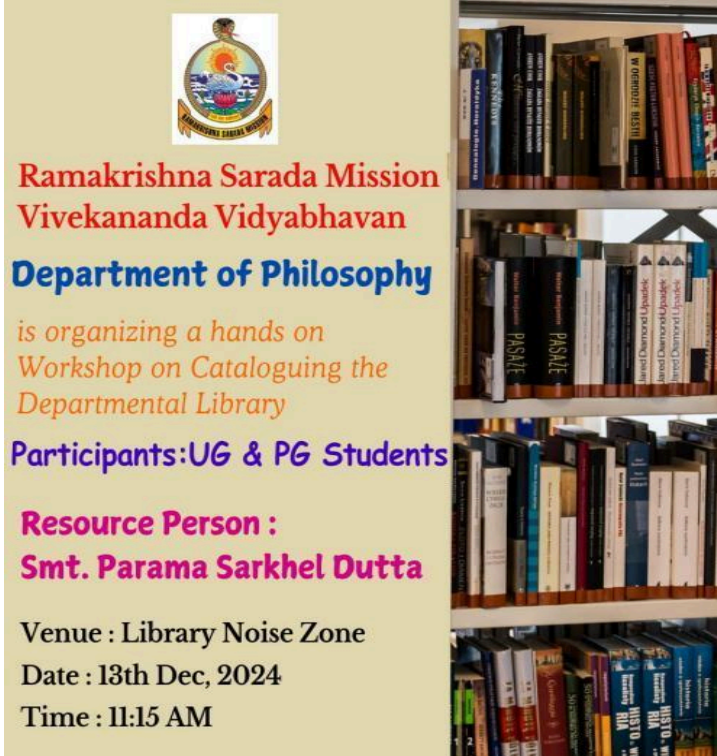

**Venue:** Library Noise Zone

**No. of Participants:** 30

**Brief Description of the Event:** The hands-on workshop conducted by Dr. Parama Sarkhel focused on cataloguing techniques for departmental libraries. Participants were taught effective cataloguing systems, including the use of modern library management software, and the importance of organizing resources to improve access and retrieval.

**Programme Outcome:** The workshop helped participants acquire practical skills in library cataloguing, equipping them with the necessary tools to efficiently manage library resources. This workshop contributed to the enhancement of organizational practices in academic institutions and libraries. These extension lectures and the hands-on workshop provided valuable insights and knowledge to the participants in diverse areas ranging from philosophy and logic to library management. The events contributed significantly to the academic enrichment of the participants, fostering a platform for intellectual growth and practical skill development.
