

Name of the Activity: Workshop

Name of topic: Atharva Veda

<https://www.facebook.com/share/p/1L8rj5TDgp/>

Organising Unit: Department of Sanskrit, RKSMVV

Date: 16th November, 2024

Time: 12.30 pm

Venue: Room No. 2

Name of the Resource Persons: PROF TARAKNATH ADHIKARI, Rabindra Bharati University

Name of the participants: 13 students from Semester 5

Brief description of the event: Prof Taraknath spoke on the unknown medical aspects of the Atharvaveda Samhita. He delivered a most enlightening lecture on the *Atharvaveda*, shedding light on its profound teachings concerning the concept of disease and the myriad medicinal remedies it presents. The occasion was a gathering of students and scholars, all deeply engaged in preparing a comprehensive project on this ancient text. To illuminate their research, the esteemed Dr Adhikary, a distinguished authority on the *Atharvaveda*, was invited to offer his invaluable insights, enriching their work with his vast knowledge and scholarly perspective.

Programme Outcome: Students were very happy with the new and novel subject matter.
