

Name of the activity: Service Learning

Category: Experiential Learning

Topic: Basic Mathematics

Organizing unit: Department of Education

Date: 24/10/2024 to 3/11/2024

Time: 12.30 pm -1.30 pm

Venue: Own house

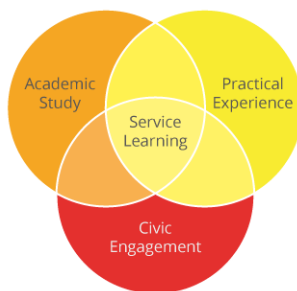

No. of Resource Persons: 1

Name of Resource Person with Designation: 1. Mou Banerjee of semester V

2. Chitra Das of semester V

Number of the Participants: 8

Brief Description:

Service-learning is an educational approach that combines learning objectives with community service in order to provide a pragmatic, progressive learning experience while meeting societal needs.

Programme Outcome:

Cognitive Outcomes

- Knowledge Acquisition: Students gain knowledge and understanding of social issues and community needs.
- 2. Critical Thinking: Students develop critical thinking skills through reflection and analysis of their service experiences.
- 3. Problem-solving: Students learn to apply theoretical concepts to real-world problems.

Affective Outcomes

- Empathy and Compassion: Students develop empathy and compassion for diverse populations and communities.
- Social Responsibility: Students cultivate a sense of social responsibility and civic engagement.
- Self-Awareness: Students gain a deeper understanding of their own values, biases, and cultural perspectives.

Behavioral Outcomes

- Civic Engagement: Students are more likely to engage in volunteer work and community service.
- Leadership Development: Students develop leadership skills through service projects and collaborations.
- Career Development: Students explore career options and develop skills relevant to their chosen profession.

Interpersonal Outcomes

- Communication Skills: Students improve their communication skills through interactions with community members and organizations.
- Networking: Students establish connections with community organizations and professionals.

Community Outcomes

- Community Engagement: Students contribute to the betterment of their communities through service projects.
- Capacity Building: Students help build the capacity of community organizations and agencies.
- Social Change: Students contribute to positive social change through their service and advocacy efforts.
