

Event Report of HPV Vaccination Camp - Day -2 of Dose 1

Event: HPV Vaccination Camp - Day -2 of Dose 1

Nature of the event: Anti Cancer Vaccination Camp

Category: Vaccination Camp

Date: 11.5.25

Venue: Room No.8

Organized by: NSS, Ramakrishna Sarada Mission Vivekananda Vidyabhavan & *Aparajito* - Nandini Chatterjee Memorial Charitable Trust.

No. Of Participants: 23

Brief Description:

The NSS units of RKSMVV in collaboration with *Aparajito*-Nandini Chatterjee Memorial Charitable Trust, conducted a Cervical cancer Vaccination camp and gave the 1st dose of anti-cervical cancer vaccine. Dr. Chandreyee Bhattacharya, the Managing Trustee of *Aparajito* took this initiative to prevent the spread of Cervical cancer among girls. A similar vaccination camp was held on 11.5.25. Since the vaccination programme was open to all, sisters of the students and girls from the neighbourhood also got vaccinated. *Aparajito*- under Nandini Chatterjee Memorial Charitable Trust also extended financial help to the RKSMVV students and bore the maximum cost of the vaccine while the students paid a minimal amount. NSS student volunteers helped organize and conduct the vaccination camp.

Programme Outcome: The second day of the 1st dose of vaccination went off well. Dr. Chandreyee Bhattacharya and Dr Rittick Biswas carried out the vaccination programme. 23 girls, mainly from the the 1st Semester and a few students' relatives and 1 girl from the neighbourhood received the 1st Dose of HPV vaccine. The

second dose of vaccination will also be arranged by the college in collaboration with *Aparajito* to complete the vaccination process. In this initiative of preventing cervical cancer among girls, the college in collaboration with *Aparajito* helped 80 girls receive the 1st dose of vaccination, in two phases (26.4.25 & 11.5.25) respectively.
