### **Event Report**

**Name of the Event:** Field Tour to Science City

**Category:** Field Tour

**Organising Unit:** Department of Education, RKSMVV

**Date Held:** 30.01.2025

**Time:** 9 a.m. onwards

**Venue:** Science City, Kolkata

**Number of Participants:** 33 students and 4 faculty members

**Brief Description of the Event:** A field tour to Science City, Kolkata, was organized on 30.01.25. The objective of the tour was to provide a hands-on learning experience in various scientific concepts and foster an interest in science and technology among the participants. Some highlights of the tour were:

1. Space Odyssey: Participants learned about space exploration, rocket launches, and celestial bodies through interactive exhibits and models.
2. Evolution Park: This outdoor park displayed the evolution of life on Earth through exhibits and sculptures.
3. 3D Theater: The group enjoyed a captivating 3D movie named 'Galapagos 3D'. It took the students on a journey of exploration and made them feel enchanted.

The participants actively engaged with the exhibits, asked questions, and participated in interactive demonstrations. They showed great enthusiasm and curiosity throughout the tour.

**Outcome of the Event:** The field tour to Science City proved to be a highly enriching experience for the participants. The interactive exhibits and activities helped them understand complex scientific concepts in a fun and engaging way. The tour also sparked their interest in science and technology and encouraged them. The participants gained valuable knowledge and developed a greater appreciation for scientific concepts. The organizers are grateful to Science City authorities for their cooperation and support in making this tour a memorable one.
