

Name of the Activity: Annual Excursion  
Category: Educational Trip  
Organizing Unit: Department of Sanskrit,RKSMVV

Date: 30/1/2025  
Time: 10 am onwards  
Venue: Science City

Number of Participants: 19 students of Sanskrit Department and 2 Teachers

Brief Description of the Event: This year the faculty members and students of Sanskrit department visited the Science City to explore the evolution of the world, the journey of scientific progress to reveal the Universe

Programme Outcome: Students enjoyed the various science based exhibitions, galleries and shows, including the Space theatre show and the Time Machine ride. It was an interesting exposure to students who had never been to any science or industrial museum before. As expected, the visit sparked off interest in scientific phenomena in many of them.
