

Name of the Activity: Indian Knowledge System Project
Category: Students' Project

Organizing Unit: Department of Sanskrit, RKSMVV

Date: 4 January 2025

Time: 5pm

Venue: RKSMVV Library

Number of Participants: 5 students and 4 teachers of the Dept of Sanskrit

Brief Description of the Event: Arpita Sarkar, Sneha Bank and Arnabi Roy prepared a Sanskrit chart on 'Atharvavede Rogatattvam'. Suchismita Mondal and Sompriya Chatterjee prepared an English chart on 'Concept of Diseases in Atharvaveda' which was displayed in the IKS section of RKSMVV Library.

They also prepared a Student-teacher project namely, 'Concept of Diseases as found in Atharvaveda' of 41 pages in four chapters.

Programme Outcome: The students actively participated in the activity beyond their syllabus with remarkable enthusiasm.
