

## DEPARTMENT OF GEOGRAPHY EVENT REPORT

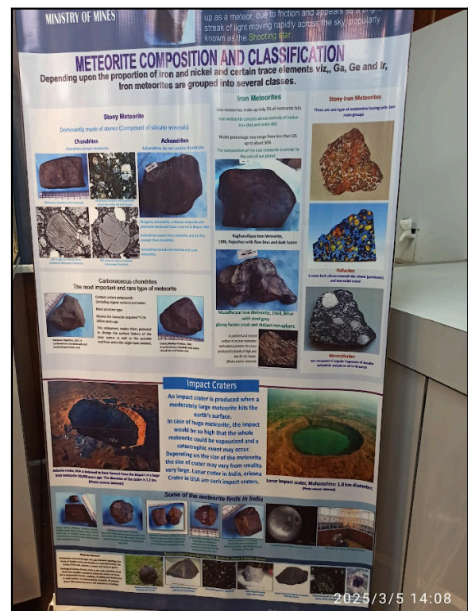

### VISIT TO GEOLOGICAL SURVEY OF INDIA , KOLKATA ON 05.03.2025

- Name of the activity - Study Visit to Geological Survey of India, Kolkata.
- Category - Student's Activity
- Date - 05.03.2025
- Time - 10 am to 5 pm
- Venue - Geological Survey of India (GSI), Central HeadQuarters Campus, 27 J.L Nehru Road, Kolkata.
- Number of Participants - 52 Students of SEM-1, 3 & 6 and 1 faculty.
- Brief Description of the program -  
The study visit was conducted by Dr. Amrita Pramanick, Assistant Professor of Geography. The program was organised by the Geological Survey of India (GSI) for celebration of their glorious 175th Anniversary. An exhibition showcasing diverse geoscience activities undertaken by GSI and various Geoscience Organizations of the country with displays on the latest developments in this field was held from 4th to 7th March, 2025 at GSI Central Head Quarters Campus.
- Programme Outcome -  
Students keenly observed the geological instruments like Abney level, compass and clinometers etc. which are used for different purposes, demonstrations and presentations of the different items organised by staff of this institution, various kinds of corals and igneous, sedimentary and metamorphic rocks and rock-forming minerals, leaf and wood fossils, several GSI publications, demonstrations on geological map etc. They gathered knowledge about different types of meteorites, their size and composition, and the place of their fall. It was really a knowledgeable visit for the students indeed.
