

## Event Report 2025 (January – June)

### Department of English

**Name of the Event:** Pre-Launch Meeting with Corporate Collaborator TechL33T, on the Speech App Development RKSMVV

in collaboration with IQAC,

**Category:** Collaborative Meeting / Academic-Industry Interface

**Date:** 22.05.2025

**Venue:** AV Room

**Organised by:** Department of English

**Participants:** 21

**Brief Description of the Event:** The Department of English organised a pre-launch meeting with its corporate collaborator, TechL33T to present and review the beta version of the speech app currently under development. The meeting was graced by the presence of the Principal, Pravrajika Vedarupaprana, and the IQAC Coordinator, Dr. Kabita Nath, alongside technical team from Tech L33T and the faculty members of the department of English and student testers.

The session commenced with an overview of the app's features, goals, and progress so far, followed by a live demonstration conducted with the help of a few student testers. The faculty experts provided detailed feedback on the app's functionality, interface.

The Principal and the IQAC Coordinator shared their insights and raised queries regarding app scalability, data security, and integration into the academic framework. These concerns were noted for internal review by the technical team. Further discussions involved outlining timelines for additional rounds of testing, refining content modules, and exploring strategies for onboarding external stakeholders, including academic collaborators and industry partners.

**Outcome of the Event:** The Principal and IQAC Coordinator were given a

clear understanding of the app's developmental stage. Constructive feedback was gathered from faculty and student users for the next development phase. A tentative timeline for further beta testing and internal review was established. Key considerations regarding app logistics and stakeholder engagement were identified.
