- **Number of Participants** : 16 students of Semester 2 and 18 students of Semester 6.
- **Brief description of the event** :
Interactive Peer teaching was organised by the Department of Geography, RKSMVV for the students of Semester 2 by the above-mentioned selected students of Semester 6. For this purpose the topic selected was 'Sectors of Indian Economy'.
- **Programme Outcome**: The peer teaching session on 'Sectors of Indian Economy' aimed to deepen students' understanding of the five major sectors—Primary, Secondary, Tertiary, Quaternary and Quinary—and their roles in the Indian economy. The outcomes of the programme are as follows:
 - **Enhanced Conceptual Clarity** : Students gained a clear understanding of the characteristics, interdependence, and contribution of each sector to India's GDP and employment.
 - **Improved Communication Skills** : Peer teachers developed their public speaking, explanation, and interpersonal communication skills through teaching their classmates.
 - **Collaborative Learning Environment** : The session fostered a supportive and interactive learning environment, encouraging questions, discussions, and peer-to-peer engagement.
 - **Boosted Confidence and Participation** : Students felt more confident in discussing economic concepts and actively participated in group activities and Q&A sessions.
 - **Assessment of Teaching Effectiveness** : Feedback and performance evaluations helped identify strengths and areas for improvement in both teaching and understanding.
