- **Brief description of the event :**

On May 27, 2025, National Service Scheme and Students' Welfare Committee of Ramakrishna Sarada Mission Vivekananda Vidyabhavan (RKSMVV) successfully organized a blood donation camp in collaboration with the District Hospital, North 24 Parganas. The event saw enthusiastic participation from students, staff, and community members, with a total of **69 donors** voluntarily contributing to this noble cause. The program aimed to promote awareness about the importance of blood donation and support the local healthcare system. Medical professionals from the District Hospital ensured safe and hygienic procedures throughout the camp. The initiative was widely appreciated and reflected the institution's ongoing commitment to community service.
- **Programme Outcome :**
 - To promote voluntary blood donation and increase awareness about its importance in saving lives, while contributing to the blood supply of local hospitals and blood banks.
 - The active participation of donors and volunteers highlights the strength of community spirit and the willingness to contribute to public health initiatives.
 - All participants underwent basic health check-ups like weight measurement, BP, hemoglobin levels, etc. prior to donation.
 - 68 units of blood were successfully collected after health screenings.
 - 23 volunteers from the NSS team supported registration, and donor care.
 - The program was conducted in collaboration with District Hospital, North 24 Parganas, which ensured professional handling and storage of collected blood.
 - Awareness was shared with over 200 students at the event, increasing knowledge about the importance of regular blood donation.
 - 95% of donors expressed willingness to participate in future donation drives and described the event as well-organized.
