Brief Description of the Event: The Annual Function and Prize Distribution of the college was held on April 3 and 4, 2025 at the Muktiwana Sabhagriha. The programme on 3rd April was presided by the Secretary of RKSMVV, Pravrajika Pradiptapana, who addressed the students and reminded them of the heritage of the institution. The programme included prize distribution to students who excelled in co curricular activities and sports during the past two years. The prizes were handed over by Dr. Soma Marik, a senior faculty of the department of History. It was followed by two student productions - a short play Parivrajak Swami Vivekananda and a dance drama based on Rabindranath Tagore's Chandalika.

Outcome of the Event: The Annual Function gives an opportunity to students to showcase their creativity. The prize distribution ceremony encourages them to excel in academics and take active interest in co curricular activities. This year the play on Swamiji and the dance drama Chandalika highlighted the equality of all human kind and the irrelevance of caste in human greatness. Students were influenced by the high ideals embedded in the plays.
