- **Organising unit :** National Service Scheme and Students' Welfare Committee of Ramakrishna Sarada Mission Vivekananda Vidyabhavan, in association with District Hospital, North 24 Parganas.
- **Date :** 27.05.2025
- **Time :** 12:00 pm to 4:00 pm
- **Venue :** Muktiprana Sabhagriha
- **Number of Participants :** 72
- **Brief description of the event :**

A Thalassemia Detection Camp was successfully organized on 27th May, 2025 at Muktiprana Sabhagriha of Ramakrishna Sarada Mission Vivekananda Vidyabhavan, in collaboration with KHERI (Kolkata Hematology & Education Research Initiative). The camp aimed to raise awareness and facilitate early detection of thalassemia among the students of Semester-VI. A team of medical professionals from KHERI conducted blood tests and provided counseling on genetic transmission and preventive measures. Screening was conducted by qualified medical professionals from KHERI. Samples of 72 students of SEM-VI were collected by them. The initiative received active participation and was appreciated for its contribution to community health awareness and student well-being.
- **Programme Outcome :**

To raise awareness and detect carriers of thalassemia among students, aiming to promote early diagnosis, prevention, and counseling.  
To encourage participants to spread awareness among peers and families.  
To strengthen the institution's commitment to student health and community wellbeing.
