Description of the Event: The Music competition, held on 11th February 2025, was an expansive event celebrating India's rich and diverse musical heritage. Divided into five categories—Nazrulgeeti/Semi-Classical, Adhunik (Modern), Folk, Bhajan, and Rabindrasangeet—the event saw enthusiastic participation across disciplines.

Participants presented soulful renditions that ranged from devotional hymns to folk tunes and modern classics. The performances reflected not only technical skill and vocal range but also emotional depth and cultural understanding. Each musical tradition brought with it a distinct flavor; whether it was the revolutionary fervor of Nazrulgeeti, the lyrical melancholy of Adhunik, the rootedness of Folk, the devotion in Bhajans, or the grace of Rabindra Sangeet.

A panel of accomplished judges evaluated the participants on voice quality, expression, pronunciation, choice of song, and stage presence. The event was both a celebration of music and a tribute to the traditions that continue to define Indian musical identity.

Outcome:

The competition cultivated musical appreciation, performance discipline, and interpretative understanding among students. It provided an immersive learning experience and strengthened their connection to the musical traditions of Bengal and India.
