

Name of the Event: Cyber Security Awareness Event organized by AKASHVANI, Kolkata.

Category: Panel Discussion on Cyber Security

Organizing Unit: Department of Human Rights and JMC, RKSMVV

Date: 12.02.202

Time: 11:00 am

Venue: Rathindra Mancha, Jorasanko Thakurbari

Name of the Participants: 10 students and 2 faculties

Brief Description of the event: Akashvani Kolkata invited faculties and students of the college to an enlightening panel discussion on Cyber Security, along with an opportunity to interact with a distinguished panel of experts.

Students from the Department of Human Rights, and Journalism and Mass Communication participated in this event organized by the Akashvani, Kolkata.

The panel featured ethical hackers, bank executives, police officers and cyber lawyers, who shared invaluable insights into critical aspects of online safety and cyber security.

Event Highlights:

- Interactive Panel Discussion with leading experts.
- Open Auditorium Quiz Competition with exciting gift hampers and participation certificates.
- Dramatized Skits illustrating real-life cyber fraud scenarios.

Outcome of the Event: Students benefited from this Cyber Security event by gaining knowledge about online threats, learning to protect themselves and others, and potentially exploring career paths in cyber Security. These events also helped students to develop critical thinking and problem solving skills in this digital environment.

Moreover, Prapti Sanyal of Semester 6 from the Department of JMC received a gift hamper and a certificate for her performance in the quiz competition.
