Name of the event: English Recitation

Organizing Unit: Cultural Sub Committee, RKSMVV Date: 18/02/2025 Time: 11:15 AM onwards Venue: Room No. 42 Number of Judges: 3 Judges: Chaiti Mitra, Rakhi Ghosh, Dwaita De

Description of the Event: The English Recitation competition was a vibrant literary exercise that allowed students to explore the depths of English poetry through oral interpretation. Conducted on 10th February 2025, this event provided participants with an opportunity to express the nuances of poetic expression using voice, tone, and dramatic skill. Students recited poems by celebrated English poets—ranging from the romantic and modernist traditions to contemporary voices—each performance reflecting personal interpretation and emotional sensitivity.

The event served as a bridge between text and performance, reinforcing the importance of language fluency, emotional articulation, and audience engagement. Judges evaluated the participants on pronunciation, intonation, clarity, confidence, and ability to capture the essence of the poem.

Outcome:

Participants honed their public speaking and performance skills while building a stronger appreciation for English literature. The event encouraged students to look beyond the written word and engage with poetry in a dynamic, performative context, cultivating both literary and presentation abilities.
