

## DEPARTMENT OF GEOGRAPHY - EVENT REPORT

### CELEBRATION OF WORLD ENVIRONMENT DAY ON 05.06.2025

- **Name of the Activity :** World Environment Day Celebration
- **Category :** Departmental activity
- **Organising unit :** Geography Department & NSS Unit, in collaboration with IQAC.
- **Date :** 05/06/2025
- **Time :** 1:45 pm - 2:45 pm
- **Venue :** Muktiprana Auditorium, RKSMVV.
- **Number of students :** 120 students
- **Number of Resource Persons :** Students of SEM-II & IV of the Geography Dept & NSS team
- **Number of Participants :** 20
- **Number of Beneficiaries :** All students, teachers & staffs of RKSMVV
- **Brief Description of the event :** The celebration of World Environment Day started with the inaugural speech of the Principal. Next, all the participants highlighted the issue of environmental awareness through a very beautiful cultural program. Some of them tried to explain the issue of plastic pollution by making a slide-show presentation about what plastic pollution is and how plastic is destroying our environment. The NSS Unit of our college along with all students & teachers present in the auditorium took a pledge for not destroying our mother earth through irrational use of plastics. The program ended with our national anthem.
- **Program Outcome :** The theme of World Environment Day of 2025 was 'Ending Plastic Pollution'. Through this work, the students tried to explain how conscious we need to be about the environment. This activity made other students very motivated. Use of plastics in different forms is very much detrimental for our sustainable survival and also for future generations as it does a lot of harm to us and also our environment. All the students & teachers became aware of these bad effects of plastics and they took a pledge for a plastic free environment.
