Time – 01:30 PM onwards

Venue – Swamiji Bhavan

Resource Person – Experts from JIS Foundation:

Avik Moharer
Amanbir Singh
Sk. Niharika

Number of Participants – 96

Brief Description of the Event:

The Orientation Programme: Training for Guaranteed Placement was organized by the Placement Cell and IQAC, RKSMVV, in collaboration with the JIS Foundation on March 12, 2025, at Swamiji Bhavan. The session, conducted by experts Avik Moharer, Amanbir Singh and Sk. Niharika, aimed to provide students with insights into job-oriented training and placement opportunities. The discussion focused on the JIS Group Orientation Programme, which offers government-sponsored training for students in West Bengal. Key highlights included:

- Job training program with a WB Govt. Certificate upon assessment.
- 80% attendance requirement for participation in the Assessment Test/Selection Exam.
- Job opportunities in Data Entry Operation and Data Analysis.
- Grooming sessions covering HR, technical skills, and professional development.
- Career progression and appraisal system, leading to promotions.
- Placement prospects in leading companies like Tech Mahindra, Wipro, TCS, Amazon, Tata Motors, and Godrej.

The selection process involved online interviews, campus placements, and psychometric tests. The programme also emphasized corporate training in Excel, Word, PowerPoint, hardware & networking, and basic computer skills, preparing students for entry-level and executive positions across various industries. This orientation programme provided valuable guidance and resources, helping students align their career aspirations with market demands and industry expectations.

Programme Outcome:

The Orientation Programme: Training for Guaranteed Placement successfully equipped students with essential skills and knowledge to enhance their employability and career prospects. Participants gained insights into job-oriented training programmes, placement opportunities, and industry expectations. Students enhanced their technical, communication, leadership, and problem-solving skills, essential for workplace success. Certification & Career Growth: The WB Govt.-recognized certification and training program provided a competitive edge in securing employment. The programme introduced students to placement opportunities in top companies like Tech Mahindra, Wipro, TCS, Amazon, Tata Motors, and Godrej, increasing their chances of securing jobs in data operations, analytics, HR, and technical fields. The programme helped students define their career goals, understand market trends, and explore growth opportunities through corporate training and promotions. Overall, the programme bridged the gap between academic learning and industry requirements, empowering students with the necessary skills and confidence to secure placements in leading organizations.
