Brief Description of the Event

Environment Cell and Cultural Sub-Committee with the Internal Quality Assurance Cell (IQAC) of RKSMVV organized a presentation and cultural program on 28th July 2025 from 11.15 AM to celebrate Van Mahotsav.

The programme commenced with presentation of a Video by showing preparation of Moringa tea from Sojne leaves prepared by students of RKSMVV under guidance of Pravrajika Ishtatmaprana. The video consists of the collection, steps, preparation, and benefits of Moringa tea.

The students, faculties, and non-teaching staff joined a procession which moved to Naimisharanya. The next cultural part is celebrated in an urban forest. The birthday of Naimisharanya is celebrated through dance, songs and recitation.

Programme Outcome

Van Mahotsav also known as ‘Festivals of Trees’ is celebrated annually to promote forest conservation by afforestation and reforestation. It aims to raise awareness among the students about the importance of trees in maintaining ecological balance, mitigating climate change, conservation of air, water, bio diversity and improving overall environmental health. It encourages community participation fostering a sense of collective responsibility towards the environment. The celebration promotes eco-friendly practices that helps in sustainable use of forest resources.
