- **Brief description of the event :**

On the occasion of World AIDS Day, an AIDS Awareness Rally was successfully organized by the NSS Unit of Ramakrishna Sarada Mission Vivekananda Vidyabhavan (RKSMVV) on 01 December 2025 with the objective of spreading awareness about HIV/AIDS, its prevention, and the importance of compassion towards people living with HIV.

The rally commenced from the college campus of RKSMVV in the morning hours. NSS volunteers, wearing badges and carrying placards with meaningful slogans on HIV/AIDS awareness, actively participated with great enthusiasm and a strong sense of social responsibility. The rally proceeded from the campus towards Nager Bazar, covering important localities including Bangur, thereby reaching out to a wide section of the community.

During the rally, volunteers raised awareness through slogans, posters, and brief interactions with the public, emphasizing key messages such as prevention of HIV/AIDS, eradication of myths and stigma, promotion of safe practices, and the need for empathy and inclusion of affected individuals. The disciplined and orderly march attracted public attention and encouraged people to reflect on the seriousness of the issue.

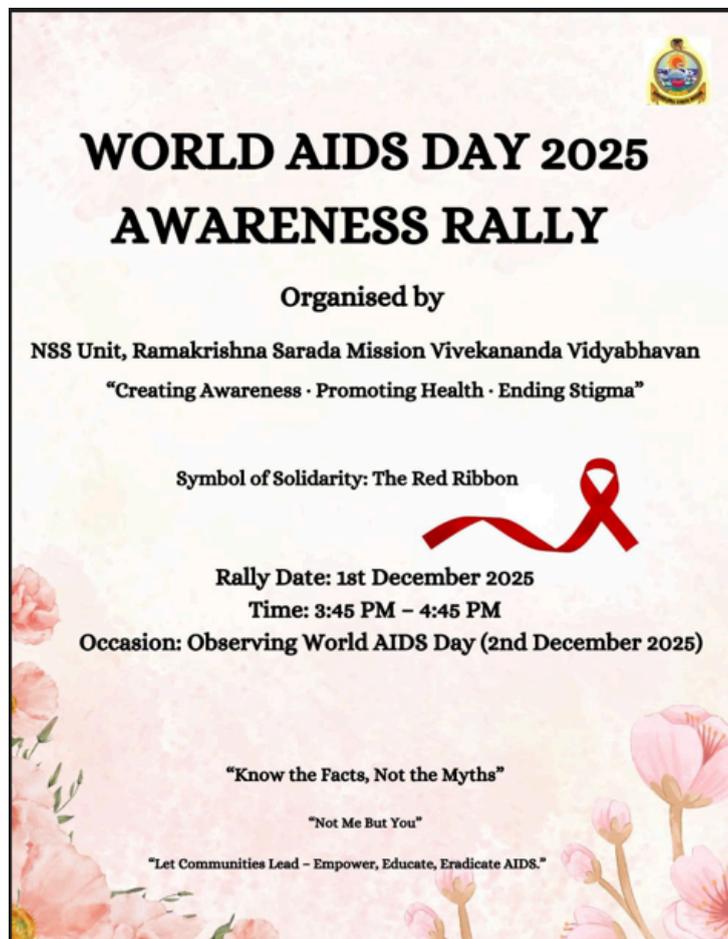

After covering the designated route, the rally terminated at the college campus, where the volunteers assembled for a brief concluding session. The programme concluded with a reaffirmation of commitment by the NSS team to continue working towards social awareness and public health education.

The rally was a meaningful and impactful initiative that reflected the core values of NSS—"Not Me, But You"—and contributed significantly to the observance of World AIDS Day 2025.

- **Programme Outcome :**
The AIDS Awareness Rally organised by the NSS team of RKSMVV on 01.12.2025 successfully fulfilled its objectives of spreading awareness and sensitising the public about HIV/AIDS. The key outcomes of the programme are as follows:
 - **Enhanced Public Awareness :** The rally effectively disseminated information regarding the causes, modes of transmission, prevention, and treatment of HIV/AIDS among students and the general public.
 - **Reduction of Stigma and Discrimination :** Through slogans, placards, and interactions, the

programme helped in addressing misconceptions and encouraged a compassionate and inclusive attitude towards people living with HIV/AIDS.

- **Youth Engagement and Leadership** : Active participation of NSS volunteers promoted leadership qualities, social responsibility, and teamwork among students.
- **Community Participation** : The rally attracted attention from local residents, shopkeepers, and passers-by, fostering community involvement and dialogue on the importance of awareness and prevention.
- **Promotion of Healthy Behaviour** : Messages on safe practices, regular health check-ups, and responsible behaviour were communicated, motivating individuals to adopt preventive measures.
- **Strengthening Institutional Social Responsibility** : The programme reinforced the commitment of RKSMVV towards public health awareness and community welfare.
- **Observance of World AIDS Day** : The rally meaningfully observed World AIDS Day by highlighting its theme and reinforcing the global message of solidarity, prevention, and hope.
