Description of the Event:

The Mobile Photography Competition organized by the Cultural Sub Committee of RKSMVV and conducted with active participation from students. The Program provided a platform for participants to explore and express their creativity through mobile photography. The theme of the competition is ‘**Nature Though Your Lenses**’. Participants were asked to submit photographs related to the subject by 15th February, 2025 and provide a caption with photographs.

Outcome:

Though the competition Participants developed basic to advanced photography skill, creative thinking and visual storytelling, gained awareness of aesthetic sense and observation skill, boosted confidence and self expression, learned importance of ethical photography promoted peer learning. Lastly the event helped identify hidden talents and motivated students to pursue photography as a career option.
