Brief Description of the Events –An educational excursion to **Nivedita Bhavan**, the ancestral home of **Sister Nivedita**, was organized with the objective of enriching students' understanding of India's cultural, educational, and spiritual heritage. As they reached in the museum, the guides, provided an informative tour of the museum. The Bhavan houses photographs, manuscripts, personal belongings, and books related to Sister Nivedita, offering valuable insights into her dedication to women's education, social reform, and national awakening. The guide also explained the significance of various exhibits, highlighting Sister Nivedita's role in promoting Indian art, culture, and education during the colonial period. Students listened attentively and actively participated by asking questions, making the session interactive and engaging.

Outcome - The educational excursion to Nivedita Bhavan was a highly enriching and memorable experience for the students. The visit aimed to provide firsthand exposure to the life and contributions of Sister Nivedita. The visit not only enhanced historical and cultural awareness of the students, but encouraged experiential learning beyond the classroom, inspiring values of service, patriotism, and education among the students.
