

Event Report of Department of Education

Name of the event: Leadership – Entrepreneurship – Communication – Quality: An Industry Perspective

Category: Extension Lecture

Date Held: 25th March; 2026

Venue: Room No. 8

Name and designation of the resource person: Arijit Kundu, Deputy General Manager (E), Quality Control and Inspection

Number of participants: Students from all semesters

Brief Description of the event: The Department of Education in collaboration with IQAC, RKSMVV organized an extension lecture focusing on key industry-oriented competencies such as leadership, entrepreneurship, communication, and quality. The session was conducted by Mr. Arijit Kundu, who shared valuable insights from his professional experience. He highlighted the significance of effective leadership in fostering innovation and accountability, emphasized the need for resilience and adaptability in entrepreneurship, and discussed the crucial role of communication in team building and business success. The lecture also stressed that quality should be perceived as a mindset rather than merely a performance metric. The session included discussions on emotional intelligence in leadership, communication strategies in remote work environments, building a culture of quality, and overcoming entrepreneurial challenges.

Outcome of the event: The lecture enhanced students' understanding of essential industry skills and practical approaches to leadership and entrepreneurship. It helped them recognize the importance of communication and quality in professional growth and inspired them to develop a proactive and innovative mindset for future career opportunities.
