

EVENT REPORT OF PLACEMENT CELL

Name of the Event: Orientation Programme for Semester IV & VI students – "Udaan: Exploring Skills for Future Careers"

Organizing Unit: Placement Cell and IQAC, RKSMVV in joint collaboration with Peerless

Category: Orientation Programme & Career Counselling

Date: 20th May, 2026

Time: 11:00 AM onwards

Venue: Muktiprana Sabhagriha, RKSMVV

Name and Designation of the Resource Person:

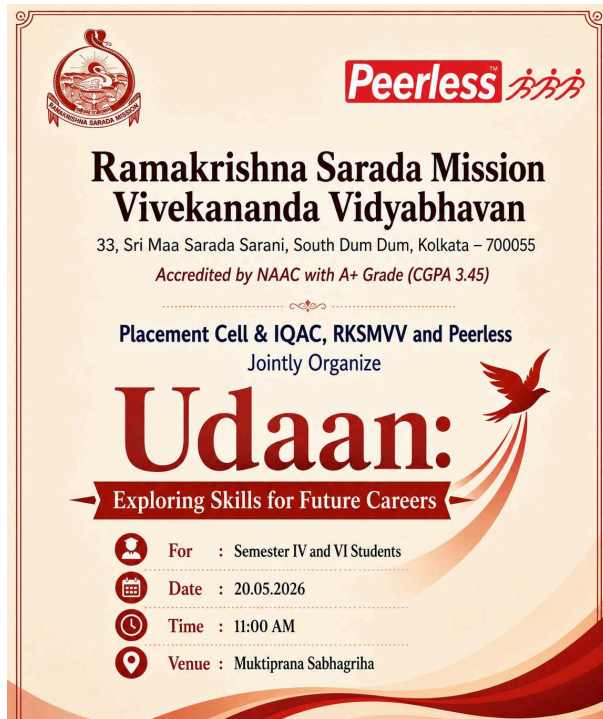

1. Aditya Kumar Ganguly (Resource Person, Peerless)
2. Ananya Mitra (Resource Person, Peerless)
3. Soma Saha (Resource Person, Peerless)
4. Bablu Naskar (Resource Person, Peerless)

Number of Participants: 122 students from Semester IV and Semester VI

Brief Description of the Event: The Placement Cell and IQAC of Ramakrishna Sarada Mission Vivekananda Vidyabhavan, in a joint initiative with Peerless Skill Academy, organized a career orientation and skill exploration programme titled "Udaan: Exploring Skills for Future Careers." The session commenced at 11:00 AM at the Muktiprana Sabhagriha and was targeted specifically toward final-year and pre-final-year students (Semesters IV and VI) to prepare them for the shifting demands of the job market. The event featured an interactive panel of four resource persons from Peerless—Aditya Kumar Ganguly, Ananya Mitra, Soma Saha, and Bablu Naskar. The experts guided the students through critical corporate and professional skills required beyond traditional academic curricula, focusing heavily on emerging opportunities in core industry sectors like hospitality management and healthcare. Through these industry-specific lenses, the speakers highlighted professional avenues, essential communication standards, and operational dynamics relevant to these rapidly growing fields.

Outcome of the Event: The event successfully bridged the gap between academia and the professional world, providing the 122 participating students with direct industry interaction and a

realistic understanding of modern employment avenues, particularly within the hospitality management and healthcare sectors. Through this orientation, students enhanced their overall career awareness and learned how to map their academic backgrounds to specialized roles in customer relations, guest hospitality, and healthcare administration. By engaging directly with professional mentors from Peerless, the participants gained valuable insights into the core employability skills, corporate communication etiquettes, and customer-centric mindsets required to thrive in these service-driven industries, leaving them better equipped to navigate competitive job markets.
