

Name of the Event: Career Counselling for Industry Readiness

Organizing Unit: Placement Cell & IQAC, Ramakrishna Sarada Mission Vivekananda Vidyabhavan, in collaboration with Peerless.

Category: Career Counselling.

Date Held: 21st August, 2026

Time: 1:30 PM onwards.

Venue: Swamiji Bhavan

Name and Designation of the Resource Person: Pratik Banerjee and Aditya Ganguly (Representatives associated with Peerless).

Number of Participants: 112 students.

Brief Description of the Event: The Placement Cell and IQAC of Ramakrishna Sarada Mission Vivekananda Vidyabhavan, in collaboration with Peerless, organized a Career Counselling Programme for Industry Readiness on 21st August 2026 at 1:30 PM at Swamiji Bhavan. The programme was primarily intended for Semester V and Semester VII students and focused on preparing students for future career opportunities and the requirements of the professional world.

The session provided students with guidance regarding career planning, skill development and preparation for industry. The resource persons, Pratik Banerjee and Aditya Ganguly, interacted with the students and offered practical guidance to help them understand the expectations of employers and the importance of becoming industry-ready. The programme also encouraged students to plan their careers systematically and develop the necessary skills for future employment opportunities.

The speaker explained that the courses will develop industry-relevant skills for future careers. AI & Advanced Excel will build IT and analytical skills, while Hospital Patient Relationship Associate will develop communication and patient-handling skills for the healthcare sector. A total of 112 students participated in the programme. The event served as a useful platform for students to interact with industry representatives and gain insights into career development.

Outcome of the Event: The programme helped students develop a better understanding of career planning, employability skills and industry expectations. It motivated them to focus on

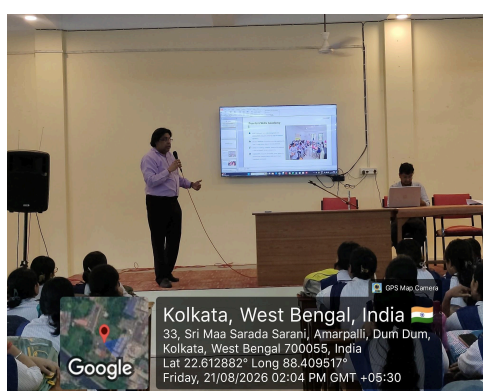

skill enhancement and professional preparation alongside their academic studies. The interaction with the resource persons also provided students with practical career guidance and greater awareness of the importance of being industry-ready for future employment opportunities.

Overall, the programme was beneficial in bridging the gap between academic learning and professional requirements and contributed towards strengthening the career-readiness of the participating students.
