Brief Description of the Event – In wake of Sanskrit Week Celebration from 21–27 August 2026, RKMRC Narendrapur (Dept of Sanskrit) and RKSMVV (IKS and Dept of Sanskrit) jointly organized a National Seminar on 'Contribution of Bengalis in the Field of Sanskrit' at RKSMVV Girls' College. RKSMVV Principal Mataji welcomed all at the beginning of the Seminar.

Outcome of the Event – Dr Narayan emphasized the fact that there are many Bengali authors who have written much in Sanskrit even in Bengali script which has thus escaped the attention of the larger intelligentsia. So, a researcher needs to be very attentive about his work because even the photographs circulated of the authors are wrong at times. The session was an eye-opener for all.
